LENDER FINANCING OFFER FOR NEW FIRE STATION

Fixed Interest Rate for 15 Year Term: _____

Fees: _____

Costs: _____

Comments: _____

_____ (Attach additional pages or information as necessary).

Financing will be awarded to the bidder making an offer that conforms to the specifications and which produces the lowest true interest rate, costs, and conditions to the District. If two or more equal offers are received, the District will determine which offer, if any, shall be accepted, and such determination shall be final and unappealable. The interest rate will be calculated on an annually compounding basis using a 30/360 calendar.

The District reserves the right to reject any offers, to waive irregularities, and to change the time that offers are due. Bidders agree to hold the District and its consultants, attorneys, commissioners, employees, volunteers, representatives, and agents harmless in the submission of an offer. The bidders are also responsible for their legal counsel fees and expenses and any and all costs associated with the submission of the offer.

The bank's offer is subject to the following **Conditions** (if any):

(If left blank or there are no additional attachments, it is assumed that there are no conditions to the offer.)
