

READY, SET, GO!

Wildland fire preparedness in partnership with your local fire department.

READY - BE READY.

- Talk to your local fire department personnel about preparing your home for wildland fire threat.
- Work to prepare your property by creating defensible space around your home.
- Create an evacuation plan for both your family and your pets.
- Assemble an emergency supply kit - include items such as important documents, contact numbers, food and water, toiletries, first-aid kit, etc.

SET- BE ALERT.

- Create your own action plan for your family.
- Plan and practice multiple exit routes from your home and neighborhood.
- Assign a meeting place in case your family gets separated.
- Make sure you're familiar with your local emergency notification and evacuation systems.

GO - ACT EARLY

- Remain alert and keep yourself informed of the situation.
- Get your emergency supply kit and leave well before the impending threat reaches your community or neighborhood following a planned, accessible route.
